Electives Classes are not limited to these interest, if you have something new or different
to offer not found on this list please reply with it, new and original ideas are always
welcome as long as they are appropriate and we can facilitate them.

Please Reply what class (3-5 sentence description/title of class for Electives catalog),
and which Sessions and times you could be available to teach. Thanks for your time. You
are a great community influence on our students and we appreciate anything you can
offer. Volunteer teachers will be given preference but we do have a limited budget for
highly specialized classes.

If you know someone interested in sharing their expertise with our students please
share this info or my contact information jobs@fdnsc.net. Thank you.
